

Tarkett's Balanced Choice: Vinyl Sheet

Tarkett® Vinyl Sheet is part of Tarkett's choice of sustainable solutions, an integrated system that allows for balancing all the competing needs, while making choices that are truly sustainable and work together aesthetically. To learn more, visit tarkettna.com.

People-Friendly Spaces

- Tarkett Vinyl Sheet is FloorScore™ certified for assurance of low-emitting materials and indoor air quality
- Tarkett Vinyl Sheet is easy to clean and maintain. It only requires a neutral floor cleaner and water, which eliminates the need for harsh chemicals required by some floors
- Tarkett Vinyl Sheet provides coordinated transitions for all vinyl sheet products for a more aesthetically cohesive space
- All Tarkett Vinyl Sheet flooring adhesives are nonflammable and low VOC water-based as compared to solvent-based adhesives that adversely affect air quality when they evaporate
- Tarkett resilient sheet accessories are certified by the Environmental Choice Program, an independent authority that certifies hard service cleaning products that demonstrate environmental leadership throughout their life cycle and meet stringent standards

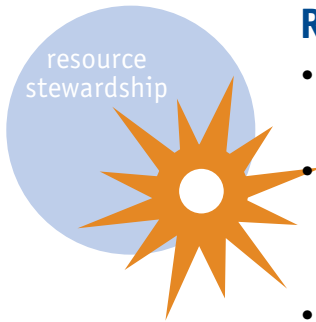

Better Raw Materials

- Tarkett Vinyl Sheet is produced with low or no VOC water-based inks instead of using higher VOC inks
- Tarkett's production site quality management is ISO 9001 certified

Sustainability: an everyday practice, not just an idea.

Tarkett's Balanced Choice: Vinyl Sheet

Resource Stewardship

- Tarkett® uses sophisticated equipment in its Farnham, Quebec manufacturing facility that burns most of the potential atmosphere emissions
- Tarkett's resilient manufacturing facility reduced effluent emissions between 2006 and 2007 by: Voc = -25.7%, CO₂ = -14.9%, Nox = -33%, Waste = -6.7%, Landfill = -43%
- Tarkett's resilient manufacturing facility does not emit ozone depleting gases
- Tarkett Vinyl Sheet has high product performance which reduces the replacement cycle and upholds warranties of 20+ year*/15-year/10-year

Balanced Budget

- Tarkett Vinyl Sheet requires minimal maintenance for upkeep of the floor – light sweeping and wet mopping when needed

*Lifetime warranty on wear and manufacturing defects.

Sustainability: an everyday practice, not just an idea.
